

In recognition and appreciation of the extraordinary effort and sacrifice school teachers provide to our community, Kingsport Press Credit Union is pleased to be able to offer a Teacher's Aid Grant program. In this way, we can assist teachers in obtaining supplies, books, furniture, equipment and other necessities and teaching aids for their classrooms as well as helping with projects or field trips. One teacher each month from September to April will be awarded \$125.

You're invited to apply! We encourage applicants to think outside the box in letting us know about your needs and how use of the grant will enhance student learning.
