The materials you received with your purchase may also give information regarding authorized repair centers and are covered for up to 30 days from purchase. If you have a problem with an item, please contact the manufacturer at the toll-free number located in the owner's manual for service. All electronics must be handled through the manufacturer's warranty. The card issuer does not provide any product or service warranty.

I need a copy of my receipt for the warranty, what should I do?
